

# PAVE THE WAY

Sarett Nature Center has a brand new constructed sidewalk from the driveway through the pines to the deck off the new addition. This new sidewalk is in need of inscribed bricks! The bricks make wonderful gifts for holidays, birthdays, anniversaries and offer a unique way to honor parents, grandparents or loved ones. It is fun to read all the inscriptions on the bricks leading to the main entrance. Please help us again with your brick donation.

The eight-by-four inch bricks are priced at \$50.

Please help us in this endeavor!

## Inscribed Brick Order Form

Clearly print the verbiage as it should appear on the brick. Punctuation is not available. The 8X4-inch brick contains two lines. Each line contains a maximum of 13 spaces. A space must separate words.

Return your order form and payment to:

Sarett Nature Center, 2300 Benton Center Road, Benton Harbor MI 49022
